5.3 **Confidentiality of Statistical Data**

The Administrator may ask Members to provide certain statistical information that will enable it to develop the Contribution setting process and to identify trends in litigation. Whilst this information will be disseminated on a regular, anonymous basis to all Members to assist in their Risk Management processes, statistical information on individual Members will only be available to that Member and the Administrator. The Administrator shall use all reasonable endeavours not to disclose such information to third parties without the prior written consent of that Member unless such information is required to be disclosed by law or any regulatory requirement or by any regulatory authority.

6 **BENEFITS PROVIDED BY THE SCHEME**

6.1 **Discretion of the Administrator**

All benefits available to Members under the Scheme shall be given at the sole and absolute discretion of the Administrator on behalf of the Secretary of State whose decision in these matters shall be final and binding. These Rules shall not, under any circumstances, be construed to imply that any contract of insurance exists between the Member and the Administrator or that the benefits available under the Scheme are not discretionary. Subject to the total funds available to the Scheme and to the discretion of the Administrator, there shall be no limit to the financial benefits available under the Scheme in any Year.

6.2 **Benefits**

The Administrator may, subject to Rule 6.1, provide funds to make payments permitted under Regulation 9 in a sum not exceeding a Total Payment in respect of any LTPS Claim.

Administrator's decision, but in all circumstances the decision of the Secretary of State shall be final and binding.

6.4 **Claims Paid Basis**

Subject to Rules 6.1 and 6.3, benefits will be provided under the Scheme on a Claims Paid basis. This means that in order to receive benefits in respect of a Claim, the Member must have maintained continuous Membership between the following dates (inclusive):

- (a) the date of occurrence of the Adverse Incident which subsequently gives rise to the Claim; and
- (b) the Date of Settlement unless the Member is eligible for the IBNR Benefit and/or Run Off Benefit in which case the conditions specified in Rules 6.5 and 6.6 shall apply.

6.5 **Incurred But Not Reported (IBNR) Benefit**

This IBNR Benefit may be available in respect of an Employers' Liability Claim, a Public and Products Liability Claim and a Professional Indemnity Claim in cases where Members have previously held "claims made" insurance policies.

6.5.2 The Scheme will cover the Member against an Employers' Liability Claim, a Public and Products Liability Claim and a Professional Indemnity Claim which happened or was caused prior to the Member's becoming a Member of the Scheme and in respect of which a Claim is first made in writing against the Member during a Membership Year and on or after the Membership Date, and for which alternative insurance is not available.

6.6 **Run Off Benefit for Former Members**

If a Member ceases for any reason to be a Member, no benefits shall be available to that former Member for Claims reported during the period of Membership but which are not settled within 30 days of the date of termination of the Membership, unless a Run Off Benefit is purchased by the former Member (or an agreement is made between the Member and the Administrator pursuant to Regulation 9 (1A)). This benefit may be made available to a former Member under such terms and conditions as the Administrator may, in its absolute discretion, determine at the date the Member ceases to be a Member.

6.7 **Contribution with Insurance Policies**

If at the time of the happening of any loss, destruction or damage or liability covered by this Scheme there shall be in existence any insurance of any

nature providing indemnity to the Member for such loss, destruction or damage or liability, whether effected by the Member or not, then the liability of the Scheme shall be limited to a contribution not exceeding that of the insurer or insurers.

6.8 Rights of the Administrator

On the happening of any loss, destruction or damage in respect of which a claim is or may be made under this Scheme the Administrator and every person authorised by the Administrator may without thereby incurring any liability and without diminishing the right of the Administrator to rely upon any conditions of this Scheme, enter, take or keep possession of the building or premises where the loss, destruction or damage has happened and may take possession of or require to be delivered to them any of the property and may keep possession of and deal with such property for all reasonable purposes and in any reasonable manner. This condition shall be evidence of the leave and licence of the Member to the Administrator so to do. If the Member or anyone acting on behalf of the Member does not comply with the requirements of the Administrator, or shall hinder or obstruct the Administrator in doing any of the above-mentioned acts, then all benefits under this Scheme shall be forfeited. The Member shall not in any case be entitled to abandon any property to the Administrator whether or not possession has been taken by the Administrator.

6.9 Subrogation

Any Member under this Scheme shall at the request and expense of the Administrator do and concur in doing and permit to be done all such acts and things as may be necessary or reasonably required by the Administrator for the purpose of enforcing any rights and remedies of or of obtaining relief or indemnity from any other parties to which the Administrator shall be or would become entitled or subrogated upon its paying for or making good any loss, destruction or damage, accident or injury under this Scheme whether such acts and things shall be or become necessary or required before or after indemnification by the Administrator. In no event should any Member waive such rights of subrogation against other parties, unless by specific agreement with the Administrator.

6.10 Statutory Requirements, Maintenance and Reasonable Precautions

The Member shall:

6.10.1 maintain the Premises, medical and all other machinery, plant and equipment in a satisfactory state of repair;

8.2 Anniversary Assessments

The amount of Members' Contributions will be notified to them in accordance with Regulation 8(3).

8.3 **Payment Terms**

Contributions under the Scheme should be paid into the nominated bank account of the Administrator, as notified to the Members from time to time, in accordance with Regulation 8(6). Subject to the provisions of Regulation 8(6), Members shall be offered Contribution payment terms on an annual basis in advance or such other basis as the Administrator may determine from time to time.

If the Claim is, in the Administrator's opinion, unlikely to be a LTPS Claim then the Member shall be responsible for handling the same subject to any protocol or guideline issued from time to time by the Administrator. If the Claim is, in the Administrator's opinion, likely to be a LTPS Claim then the Administrator shall, unless it determines otherwise in its absolute discretion in respect of any Claim or Claims, conduct the Claim as referred to in Rule 9.2.

9.1.2 From time to time, the Administrator shall publish protocols and guidelines for the manner of reporting Claims, each of which shall be incorporated in and form part of these Rules. The nature of the information required may vary according to the expected value of the Claim and the applicable Excess.

9.2 **LTPS Claims**

² i.e. Excess funds from Year 1 will be credited no earlier than Year 3. This is to allow Year 1 accounts to be audited. Members will be notified of the amount capable of being offset with the Contribution assessment for Year 3.

Members shall co-operate with the Administrator and shall provide to the Administrator all such assistance and information which it may require in respect of the conduct of any Claim. Without prejudice to the foregoing, the Administrator shall have the right, on behalf of the Member, to exercise any right which arises whether by virtue of a contract or otherwise in connection with a Qualifying Liability, including in particular, the right to select, instruct and de-instruct legal and other advisers and agree the terms of their retainer, and any right to raise claims or defences, and/or to bring proceedings. Such rights apply in respect of all LTPS Claims notified at any time and from time to time to the Administrator. In addition, and at no charge, the Member shall give the Administrator full access to all documents, records, computer databases or other property, to premises and to Relevant Persons.

9.3 Payment in respect of LTPS Claims

9.3.1 The Administrator shall keep records regarding the costs of individual LTPS Claims which can be taken into account when determining the contribution payable by the Member towards the Settlement, Claimant's Costs and Defence Costs and any other costs or payments in respect of the LTPS Claim and the amount of the Total Payment in respect of such LTPS Claim.

9.3.2 Payment in respect of a Qualifying Liability shall, unless the Administrator otherwise directs, be made by the Member forthwith to whomsoever the Administrator shall direct on notification. The Member shall receive reimbursement in respect of such payment net of the Member's contribution towards the amount of such payment as determined by the Administrator in its absolute discretion but including, without limitation, the amount referred to as payable by the Member under Rule 7.

9.3.3 In determining the Member's Payment, the Administrator shall take into account whether the Member has complied with the Regulations and the Rules and in particular, but without limitation, Rule 9.2. Where more than one Member is liable in respect of a LTPS Claim the Administrator shall apportion the amount of such contribution in whatever manner it may decide. The Administrator shall also take account of sums paid as specified under Rule 9.5.

9.3.4 If the Administrator so decides in its absolute discretion in respect of any Claim or Claims, any payment in respect of a Qualifying Liability shall be made direct to third parties as aforesaid by the Administrator. The Member shall make the Member's Payment to the Administrator or as directed by the Administrator.

9.4 Claims Settled Below the Excess

Claims (including Claimant's Costs and Defence Costs) settled below the amount of the Excess are a matter for the Member, subject only to the reporting requirements published by the Administrator from time to time.

9.5.2 In the event that the Administrator shall appoint any legal advisor as referred to above, then the Administrator shall be entitled to pay such legal advisor on whatever terms it considers appropriate and to allocate and apportion the amount of any sums so paid between such LTPS Members as it considers appropriate. Such sums so allocated will be taken into account in determining the Member's Payment under Rule 9.3.

9.6 **Claims Management Dispute Procedure**

If there is a dispute on the handling of a Claim between the Member and the Administrator then subject in all cases to the overriding discretion of the Administrator, the benefits available to that Member may be affected, as follows:

9.6.1 where the Member wishes to settle but the Administrator recommends defending, no benefits will be available;

9.6.2 where the Member wishes to defend but the Administrator recommends that the Claim is settled by agreement,

- (a) the benefits available will be no more than those accruing from the amount recommended by the Administrator to be offered to settle the Claim, and
- (b) should the Member continue to pursue the defence of the Claim and succeed, the Member will be eligible for reimbursement of the unrecovered Defence Costs up to the value of, but not exceeding those benefits available under Rule 9.6.2(a).

9.7 **Claims Management Appeals Procedure**
