

**Welcome to the latest edition of Revalidation Matters  
for NHS England, South (South West)****New Appraisers**

We would like to welcome 18 new Appraisers to the team, who have recently completed their training and will be starting to undertake appraisals from October.

The new Appraisers are Matt Best, Stephanie Chadwick, Darren Cousins, Natalie Dawes, Simon Fielden-Smith, Rebecca Fowler, Penny Gilbert, Ian Guildford, Christele Hurley, Trish McQuoney, Isobel Moncaster, Jane Nash, Joanna Parry, Jenny Quigg, Hannah Richmond, Sarah Thomas, Anisio Veloso and Samantha Wheeler.

Kindly note that in our recent recruitment round we were delighted to have so many people express an interest in becoming appraisers. This year we only needed appraisers in specific areas, and so many applicants will have been disappointed if they were not shortlisted for interview.

Please do not be deterred from applying again in future - If you would like to express an interest in becoming an appraiser ahead of our next vacancies being advertised, please contact the admin team via at:

**3 year Appraiser allocation update**

Kindly note that we will shortly be looking to allocate your Appraiser for the 18/19 appraisal year, which starts on 1st April 2018.

Many of you will retain your current Appraiser and automatically be 'rolled over' for next year. Where you are a newly qualified doctor or have had the same Appraiser for 3 consecutive years, you will be allocated a different Appraiser.

We will be reallocating approximately 800 doctors over the coming weeks, and will be emailing you by the end of January with details of your Appraiser, together with information of your proposed appraisal month.

If you are planning to take a break from your current role (e.g. parental leave, Sabbatical, working overseas or moving out of our area), please could you let us know in advance by contacting the admin team via email at: [England.gpappraisalsw@nhs.net](mailto:England.gpappraisalsw@nhs.net).
