Consideration of applications

5.—(1) In considering a Practitioner’s application for inclusion in a performers list the Board is to—

- (a) satisfy itself that it has checked all the information and documents the Practitioner has provided pursuant to these Regulations;
- (b) check with the NHS Business Services Authority whether it has any record of fraud relating to the Practitioner, which information that Authority must supply;
- (c) check with the NHSLA whether it has any record of past or current investigations or proceedings involving or relating to the Practitioner, which information the NHSLA must supply; and
- (d) obtain and consider references from the referees named by the Practitioner under regulation 4(2)(f).

(2) If the Board cannot reach a decision on a Practitioner’s application on the information or documentation provided by the Practitioner, it may seek from the Practitioner such further information, references or other documentation as it may reasonably require in order to make a decision and the Practitioner must provide that material.

(3) Where it appears to the Board that it may assist its consideration of any information or documentation provided under paragraph (2) of regulation 4 or any declaration made under paragraph (5) or (7) of that regulation, the Board may request further information from—

- (a) any employer or former employer of the Practitioner;
- (b) any body corporate;
- (c) the holder of any list;
- (d) any regulatory or other body,

involved in the matter which is the subject of the information, declaration or other documentation provided by the Practitioner.

(4) Where the Board has made a request under paragraph (3), the Practitioner must consent to the provision of information in response to that request.

Readmission

6.—(1) Where a Practitioner has been removed from a performers list by the Board on the ground that the Practitioner has been convicted of a criminal offence, and that conviction is overturned on appeal, the Board may agree to include the Practitioner in the performers list without the need for the Practitioner to provide an application that complies with all, or any particular provision, of regulation 4 and, as the case may be, regulation 26, 33 or 39, if the Board—

- (a) is satisfied that there are no other matters that need to be considered by it in respect of that inclusion; and

- (b) it has received an undertaking from the Practitioner to comply with the requirements of these Regulations.

(2) If the conviction is reinstated on a further appeal, the previous determination of the Board to remove that Practitioner from the performers list is once again to have effect.

Decisions and grounds for refusal

7.—(1) The Board—

- (a) may refuse to include a Practitioner in a performers list on the grounds set out in paragraph (2);
- (b) must refuse to do so on the grounds set out in paragraph (4).

(2) The grounds on which the Board may refuse to include a Practitioner in a performers list are, in addition to those prescribed in the relevant Part, that—

- (a) it considers the Practitioner is unsuitable to be included in the performers list having considered the information and documentation provided under regulation 4(2) and—
 - (i) in the case of a medical practitioner, regulation 26,
 - (ii) in the case of a dental practitioner, regulation 33, and
 - (iii) in the case of an ophthalmic practitioner, regulation 39;
- (b) having considered any declaration required by regulation 4(5) and (if applicable) regulation 4(7), and any information provided under regulation 4(6) or (8) in connection with any such declaration, and any other information or documents in its possession relating to the Practitioner, it considers that the Practitioner is unsuitable to be included in a performers list;
- (c) having obtained references from the referees named by the Practitioner under regulation 4(2)(f), it is not satisfied with those references;
- (d) having checked with the NHS Business Services Authority for any facts that the Board considers relevant relating to any past or current fraud investigation involving or relating to the Practitioner, and, having considered these and any other facts in its possession relating to such matters, it considers that the Practitioner is unsuitable to be included in a performers list;
- (e) the Practitioner has been convicted in the United Kingdom of any criminal offence (other than murder), committed on or after the day prescribed in the relevant Part, and has been sentenced to a term of imprisonment (whether suspended or not) of over six months;
- (f) having checked with the NHSLA for any facts that the Board considers relevant relating to any past or current investigation or proceedings involving or relating to the Practitioner, and, having considered these and any other facts in its possession involving or relating to the Practitioner, it considers that the Practitioner is unsuitable to be included in a performers list; or
- (g) it considers that there are reasonable grounds for concluding that including the Practitioner in a performers list would be prejudicial to the efficiency of the services which those included in that list perform.

(3) Where the Board is considering a refusal of a Practitioner's application under a ground contained in paragraph (2) it must, in particular, take into consideration—

- (a) the nature of any matter in question;
- (b) the length of time since that matter and the events giving rise to it occurred;
- (c) any action or penalty imposed by any regulatory or other body as a result of that matter;
- (d) the relevance of that matter to the Practitioner's performance of the services which those included in the relevant performers list perform, and any likely risk to the Practitioner's patients or to public finances;

- (e) whether any offence was a sexual offence for the purposes of Part 2 of the Sexual Offences Act 2003 (notification and orders)(a), or which if it had been committed in England and Wales, would have been such an offence;
- (f) whether, in respect of any list, the Practitioner—
 - (i) was refused inclusion in it,
 - (ii) was included in it subject to conditions,
 - (iii) was removed from it, or
 - (iv) is currently suspended from it,

and, if so, the facts relating to the matter which led to such action together with the reasons given by the holder of the list; and

- (g) whether, in respect of any list, the Practitioner was at the time of the originating event or in the six months preceding that event, a director of a body corporate, which—
 - (i) was refused inclusion in it,
 - (ii) was included in it subject to conditions,
 - (iii) was removed from it, or
 - (iv) is currently suspended from it,

and, if so, the facts relating to that event and the reasons given for such action by the holder of the list.

(4) The grounds on which the Board must refuse to include a Practitioner in a performers list are, in addition to any prescribed in the relevant Part, that—

- (a) the Practitioner has not provided satisfactory evidence that the Practitioner intends to perform the services which those included in that performers list perform;
- (b) it is not satisfied that the Practitioner has sufficient knowledge of the English language necessary for the work which those included in that performers list perform;
- (c) the Practitioner has been convicted in the United Kingdom of murder;
- (d) the Practitioner is subject to a national disqualification which disqualifies the Practitioner from inclusion in that performers list;
- (e) in a case to which regulation 8(4) applies, the Practitioner has not updated the Practitioner's application in accordance with the requirements of that regulation;
- (f) in a case to which regulation 10(5) applies, the Practitioner has not given the notification and undertaking required by that regulation; or
- (g) in a case to which regulation 17(5) applies, the Practitioner has not notified the Board under that regulation that the Practitioner wishes to be included in the performers list subject to its conditions.

(5) Paragraph (4)(a) does not apply in the case of a Type 1 armed forces GP.

(6) Where the Board has made a decision on a Practitioner's application for inclusion in a performers list, it must notify the Practitioner within 7 days of—

- (a) its decision; and
- (b) if it has decided not to include the Practitioner, the reasons for that decision (including any facts relied upon) and the Practitioner's right of appeal under regulation 17.

(7) Where the Board notifies a Practitioner under paragraph (6)(b), it must—

- (a) notify the Practitioner that the right of appeal must be exercised within the period of 28 days beginning with the date on which it notified the Practitioner of its decision; and
- (b) tell the Practitioner how to exercise that right.

(a) 2003 c. 42.

Deferment of decision on application

8.—(1) The Board may defer a decision on a Practitioner’s application to be included in a performers list, where—

- (a) there are, in respect of the Practitioner—
 - (i) criminal proceedings in the United Kingdom, or
 - (ii) proceedings elsewhere in the world relating to conduct, which, if they had occurred in the United Kingdom, would constitute a criminal offence,and which, if they resulted in a conviction or the equivalent of a conviction would, if the Practitioner were at that time included in a performers list, be likely to lead to the Practitioner’s removal from it;
- (b) in respect of a body corporate of which the Practitioner is, has in the preceding 6 months been, or was at the time of the originating event, a director there are—
 - (i) criminal proceedings in the United Kingdom, or
 - (ii) proceedings elsewhere in the world relating to conduct, which, if they had occurred in the United Kingdom, would constitute a criminal offence,and which, if they resulted in a conviction or the equivalent of a conviction would, if the Practitioner were at that time included in a performers list, be likely to lead to the Practitioner’s removal from it;
- (c) there is any investigation anywhere in the world by any regulatory or other body relating to the Practitioner which if adverse to the Practitioner would, if the Practitioner were at that time included in a performers list, be likely to lead to the Practitioner’s removal from it;
- (d) the Practitioner is suspended from any list;
- (e) a body corporate of which the Practitioner is, has in the preceding six months been, or was at the time of the originating event, a director, is suspended from any list;
- (f) the Practitioner has appealed to the First-tier Tribunal against a decision to refuse to include the Practitioner or to include the Practitioner subject to conditions in any list, or to remove the Practitioner from any list, and if that appeal is unsuccessful it would, if the Practitioner were at that time included in a performers list, be likely to lead to the Practitioner’s removal from it;
- (g) a body corporate of which the Practitioner is, has in the preceding six months been, or was at the time of the originating event, a director, has appealed to the First-tier Tribunal against a decision to refuse to include the body corporate or to include it subject to conditions in any list, or to remove it from any list, and if that appeal is unsuccessful it would, if the Practitioner were at that time included in a performers list, be likely to lead to the Practitioner’s removal from it;
- (h) the Practitioner is being investigated by the NHS Business Services Authority in relation to fraud, where, if the result included a finding adverse to the Practitioner it would, if the Practitioner were at that time included in a performers list, be likely to lead to the Practitioner’s removal from it; or
- (i) a body corporate, of which the Practitioner is, has in the preceding six months been, or was at the time of the originating event a director, is being investigated in relation to any fraud, where if the result included a finding adverse to the body corporate it would, if the Practitioner were at that time included in a performers list, be likely to lead to the Practitioner’s removal from it.

(2) Within 7 days of the date of a decision under paragraph (1), the Board must notify the Practitioner in writing of that decision and the reasons for it.

(3) The Board may only defer a decision under paragraph (1) until the outcome of the matter in question is known or any suspension under sub-paragraph (d) or (e) of that paragraph has ended.

(4) Once the outcome of the matter in question is known or any suspension has ended (as the case may be), the Board must notify the Practitioner that the Practitioner must within 28 days of the date of the notification—

- (a) confirm in writing that the Practitioner wishes to proceed with the Practitioner's application; and
- (b) if the Practitioner wishes to proceed, provide any additional information required.

(5) Provided any confirmation and additional information has been received within the 28 days referred to in paragraph (4), the Board must—

- (i) make a decision in accordance with regulation 7 and regulation 27(1), 34(1) or (2) or 40(1) (as the case may be) as to whether or not to grant the Practitioner's application to be included in the performers list; or
- (ii) consider whether to impose conditions on the Practitioner's inclusion in the performers list in accordance with regulation 10.

(6) Where, under paragraph (5), the Board decides to grant or refuse the Practitioner's application, paragraphs (6) and (7) of regulation 7 apply as if there had been no deferment.

- (a) that decision and the reasons for it (including any facts relied upon);
- (b) the right of appeal under regulation 17; and

Suspension

12.—(1) If the Board is satisfied that it is necessary to do so for the protection of patients or members of the public or that it is otherwise in the public interest, it may suspend a Practitioner from a performers list—

- (a) while the Board decides whether or not to exercise its powers to remove the Practitioner under regulation 11(1)(c), 14(3) or (5), 16 or 17(6)(b) or to impose conditions on the Practitioner's inclusion in a performers list under regulation 10;

- (c) where it has decided to remove the Practitioner from a performers list but that decision has yet to take effect; or
- (d) pending an appeal under these Regulations.

(2) Where the Board is considering suspending a Practitioner it must give the Practitioner—

- (a) notice of any allegation against the Practitioner;
- (b) notice of what action it is considering and on what grounds; and

- (c) the opportunity to put the Practitioner’s case at an oral hearing before it, on a specified day, provided that at least two working days’ notice of the hearing is given (beginning with the day on which the notice is given).

This paragraph does not apply where paragraph (6) applies.

(3) Where a Practitioner does not wish to have an oral hearing under paragraph (2)(c) or does not attend one, the Board may suspend the Practitioner with immediate effect.

(4) If an oral hearing does take place, the Board must take into account any representations made before it reaches its decision, and the Board may—

- (a) suspend the Practitioner with immediate effect; or
- (b) allow the Practitioner to resume practice subject to conditions imposed by the Board.

(5) Where the Board suspends a Practitioner in a case falling within paragraph (1)(a) or (b), it must notify the Practitioner of the right of review under regulation 16.

(6) Where the Board considers it necessary to do so for the protection of patients or members of the public or that it is otherwise in the public interest, it may determine that a suspension is to have immediate effect without undertaking the steps specified in paragraph (2).

(7) When a Practitioner is suspended in accordance with paragraph (6)—

- (a) the Board must immediately notify the Practitioner of its decision, the reasons for it and the allegations against the Practitioner;
- (b) the Board must review its decision within two working days of the Practitioner being suspended (beginning with the day on which the Practitioner was suspended); and
- (c) the Board is as soon as practicable to give the Practitioner—
 - (i) notice of what further action it is considering and on what grounds, and
 - (ii) the opportunity to put the Practitioner’s case at an oral hearing before it, on a specified day, provided that at least two working days’ notice of the hearing is given (beginning with the day on which the notice is given).

(8) If a decision to suspend a Practitioner in accordance with paragraph (6) is not reviewed in accordance with sub-paragraph (b) of paragraph (7), the suspension will cease to have effect on the expiry of the period mentioned in that sub-paragraph.

(9) Where a Practitioner does not wish to have an oral hearing under paragraph (7)(c)(ii) or does not attend one, the Board may confirm or revoke the suspension.

(10) If an oral hearing under paragraph 7(c)(ii) does take place, the Board must take into account any representations made before it reaches its decision, and the Board may—

- (a) confirm or revoke the suspension; or
- (b) allow the Practitioner to resume practice subject to conditions imposed by the Board.

(11) Where the Board decides to confirm a suspension under paragraph (9) or (10) the Board must notify the Practitioner of—

- (i) its decision and the right of review under regulation 16, immediately, and
- (ii) the reasons for it (including any facts relied upon) within 7 days of the decision.

(12) In a case falling within paragraph (1)(a) or (b), the Board must specify a period, not exceeding six months, as the period of suspension (“the initial period of suspension”).

This is subject to paragraph (19).

(13) In a case falling within—

- (a) paragraph (1)(b)(i), after the outcome of the investigation referred to in that paragraph is known, the Board may specify that the Practitioner remains suspended for an additional period of time so long as the aggregate of the initial and additional period of suspension does not exceed 6 months;
- (b) paragraph (1)(b)(ii), after the decision referred to in that paragraph has been made, the Board may specify that the Practitioner remains suspended for an additional period so

long as the aggregate of the initial and additional period of suspension does not exceed 6 months.

(14) Where the Board specifies under paragraph (13) that the Practitioner should remain suspended for an additional period, it must immediately notify the Practitioner of this.

(15) The Board may extend the period of suspension under paragraph (12) or impose a further period of suspension under paragraph (13), so long as the aggregate does not exceed six months.

This is subject to paragraph (19).

(16) Any period of suspension referred to in paragraph (13)(a) or (b) may be extended beyond six months if—

- (a) on the application of the Board, the First-tier Tribunal so orders; or
- (b) the Board has applied to the First-tier Tribunal under sub-paragraph (a) before the expiry of the initial period of suspension but the First-tier Tribunal has not made an order by the time that initial period expires, in which case the period of suspension continues until the First-tier Tribunal makes an order.

(17) If the First-tier Tribunal makes an order in accordance with paragraph (16)(a), it must specify—

- (a) a date on which the period of suspension is to end;
- (b) an event beyond which it is not to continue; or
- (c) that the period of suspension is to end on the earlier of a specified date or event.

(18) The First-tier Tribunal may, on the application of the Board, make a further order (complying with paragraph (17)) at any time while the period of suspension pursuant to its earlier order is continuing.

(19) A suspension under paragraph (1)(a) remains effective after the Board has made a decision to exercise its powers to remove the Practitioner from the performers list under regulation 11(1)(c), 14(3) or (5), 16 or 17(6)(b) until the decision for the removal of the Practitioner takes effect.

(20) If the Board suspends a Practitioner in a case falling within paragraph (1)(c) or (d), the suspension has effect until—

- (a) in a case falling within paragraph (1)(c), the decision takes effect; or
- (b) in a case falling within paragraph (1)(d), the First-tier Tribunal has disposed of the appeal.

(21) If it is in possession of evidence that revoking a suspension will not compromise the protection of patients or members of the public or the public interest, the Board may at any time revoke a suspension with immediate effect and notify the Practitioner of its decision.

(22) Whilst suspended under these Regulations, a Practitioner is to be treated as not being included in a performers list, even though the Practitioner appears in it.

Payments during suspension

SCHEDULE 2

Regulation 45

Transitional and Savings Provisions

Interpretation

1. In this Schedule, “PCT” means a Primary Care Trust.

Decisions of PCTs

2. A decision of a PCT prior to the transfer date is, as from that date, to be treated as a decision of the Board.

Allocation of practitioners on previous lists

3. Each Practitioner who was included immediately before the transfer date in a medical, dental or ophthalmic performers list (as the case may be) held by a PCT is, with effect from that date, included in the corresponding list held by the Board.

Inclusion subject to conditions

4.—(1) This paragraph applies if, immediately before the transfer date, the inclusion of a Practitioner in a PCT’s medical, dental or ophthalmic performers list (as the case may be) was subject to conditions imposed by that PCT.

(2) If the conditions would have continued in force on the transfer date, the inclusion of that Practitioner in the relevant performers list held by the Board continues to be subject to those conditions as if they had been imposed in the same terms and for the same duration by the Board

pursuant to regulation 10, 11, 12 or 16 and the Board is to be taken to have had the power to impose those conditions.

Suspended inclusion

5.—(1) This paragraph applies if, immediately before the transfer date, the inclusion of a Practitioner in a PCT's medical, dental or ophthalmic performers list (as the case may be) was suspended by that PCT.

(2) From the transfer date, the inclusion of that Practitioner in the relevant performers list held by the Board is to be treated as if it had been suspended on the same terms and for the same duration by the Board (which is to be taken to have had the power to do so).

Outstanding applications for registration

6.—(1) This paragraph applies to an application made before the transfer date, but not by then determined, for inclusion in a medical, dental or ophthalmic performers list held by a PCT.

(2) Such an application is to be treated from the transfer date as having been made to the Board for inclusion in the relevant performers list held by the Board.

Readmission

7. A Practitioner who has, before the transfer date, been removed from a relevant performers list by the PCT which holds that list and who has not by then been restored to that list, may from that date be included, if the conditions specified in regulation 6 are met (as if the Practitioner had been removed from the list by the Board), in the corresponding relevant performers list held by the Board.

Reviews

8. A decision of a PCT before the transfer date to impose or vary conditions on the inclusion of a Practitioner in a performers list or in relation to the suspension of a Practitioner from such a list, may as from that date be reviewed by the Board under regulation 16 as if the Board was reviewing a decision of its own under these Regulations.

Appeals

9.—(1) Sub-paragraph (2) applies where a Practitioner has, before the transfer date, appealed to the First-tier Tribunal against a decision of a PCT which has not, by then, been the subject of a decision by way of determination by that Tribunal.

(2) Any redetermination of a PCT's decision by the First-tier Tribunal on or after the transfer date is to take effect as if it were a redetermination of a decision of the Board.

(3) Where there has been a determination by the First-tier Tribunal before the transfer date, the Board may take any steps under these Regulations which it could have taken if the determination had occurred after that date.

National disqualification

10. Regulations 18A (national disqualification) and 19 (review periods on national disqualification) of the National Health Service (Performers Lists) Regulations 2004 are to continue to apply for the purposes of any appeal or review relating to a national disqualification imposed under those provisions prior to the transfer date.
